Member ship dues can be paid by credit card ONLINE, which we prefer !!

Go to www.cachristmas.com Login as member using your email
Insert your password
Scroll down membership renewal box and click
Choose your farm or category add to cart
Then checkout box is red on left side
Click pay by paypal as it will allow you to use a debit or credit card in no paypal account

We understand that it might be easier to write a check and put it in an envelope and mail the dues to us but.......

We would hope you go online and pay your membership there because:

- 1. You receive an immediate receipt for the payment made.
- 2. The Treasurer also gets a copy of the receipt and is easy to move that receipt into a saved file for years to come (No lost papers)
- 3. It helps to eliminate any confusion as to what was paid and by whom when board members change.
- 4. Making payment this way also acquaints you with the website and the content available in the Members Only Section which is PRIVATE to CCTA as well as being able to see the Tree Locator for any wrong information.

WE have found that in years past not all the information we need as an association is in the application. Most recently many of us only put down one phone number.... Is for the farm which we might answer occasionally after the season; or is it our home phone number or cell number? That is why the application this year has added a few more lines and next year if it the same we will have a box to confirm that.

If you have a problem logging on please email <u>info@cachristmas.com</u> and our administrator will assist you through the process.

After completion the Application renewal can be scanned and emailed or faxed to us at either:
